

# Placement and Attendance

## Course/Program Placement

### What's Included:

- Military children are placed in courses/programs based on prior enrollment.
- The receiving state may subsequently evaluate student.
- There is flexibility to waive prerequisites if a similar course was completed elsewhere.

### What's Not Covered:

- There is no guarantee of continued enrollment if not qualified.
- There is no requirement to create a course or additional space.
- There are no mandatory waivers of prerequisites/preconditions.

## Special Education Services

### What's Included:

- Initially the same *services* identified in sending state IEP are included.
- The receiving state *may* subsequently evaluate student.

### What's Not Covered:

- Provision of the exact *programs* as the sending state is not required.
- Anything above IDEA requirements is not covered.

## Deployment Related Absences

### What's Included:

- There is flexibility for excused absences due to deployment.
- The deployment window is 1 month before departure and continues through 6 months after return.

**What's Not Covered:**

- More than "reasonable accommodation" is not covered.
- Provision of discretion to schools during state testing or if student already missed too much school is not covered.
