

Graduation

What's Included:

- Waiving required courses is an option to facilitate timely graduation.
- There is flexibility to accept alternatives for graduation tests.
- Receiving a diploma from the sending school if there is no time to meet new requirements is available.
- If a waiver is not granted and the student would have qualified to graduate, the receiving school will provide alternatives so graduation is on time

What's Not Covered:

- Mandatory waivers are not covered, but schools must show good cause for denial
- Mandatory waiver of exams or acceptance of alternatives are not covered.
- Right of parents to request change of graduation requirements are not covered.
